Weekly Competition Law Update

(11 - 15 November 2024)

News from the Turkish Competition Authority

Infringments: The Turkish Competition Board decided to impose administrative fines on **Viking Kağıt**.

News from the World

- The European Commission fined **Meta** €797.72 million for abusing its dominance by tying Facebook Marketplace to its social network and imposing unfair conditions on competitors, violating EU antitrust rules.
- A U.S. appeals court upheld a ruling deeming the **American Airlines - JetBlue Northeast Alliance** anticompetitive, restricting similar partnerships for a decade.
- The Bundeskartellamt has approved the advertising cooperation between **Bauer** and **AdAlliance** for now but stated it may intervene in the future if complaints arise.

News from the Academia
